

## IMPORTANT INFORMATION

---

Dear Customer:

Attached are **MATERIAL SAFETY DATA SHEETS** (MSDS) designed to meet OSHA Hazard Communication Standard (29 CFR 1910.1200) Under this standard, manufacturers and distributors are required to transmit information to employers who in turn, must provide information to their employees about hazardous chemicals.

### **GOOD FAITH DISCLOSURE**

All data or information regarding the particular product you have purchased, which is provided in the enclosed material safety data sheet, is offered gratuitously and in good faith as accurate, but is furnished without guarantee or warranty express or implied. It is based on the work of our suppliers. We offer this information only for your testing and investigation in compliance with OSHA regulations.

### **SUITABILITY FOR USE**

The conditions of the use of the product, and the suitability of the product for your particular purposes, are beyond our control. Thus, you, the user, therefore assume all risks of the use of the product.

### **WARRANTY DISCLAIMER**

American Gas & Chemical Co. Ltd. expressly disclaims all warranties of every kind and nature, including warranties of merchantability and fitness for a particular purpose with respect to the use or suitability of the product. American Gas & Chemical shall in no event be responsible for any damages of whatever nature, directly or indirectly, resulting from use of the product or from the publication of, use of, or reliance upon data contained in the enclosed MSDS.

### **CAS NUMBERS AND TRADE SECRETS**

Our products are mixtures rather than single ingredients. All of the individual ingredients used in our mixtures are listed in the TSCA inventory and have been assigned CAS numbers. However, mixtures are not assigned CAS numbers. In addition, some of our ingredients meet the OSHA trade secret requirements. Where chemicals or mixtures meet these requirements they will not be specifically disclosed.

### **RESALE**

If you resell the product, you are responsible for passing on to your customer the information contained in the MSDS, and giving them appropriate warnings and handling instructions as necessary to help insure safe usage of the product.

Thank you for purchasing our products. We do appreciate your business and want you to be satisfied with the quality, safety and effectiveness of our products. We have available to you, during business hours (Eastern Standard Time), a **TOLL FREE** number which we hope you will use for any questions, comments and requests you may have 1-800-288-3647 (In NJ call 201-767-7300).
